LUXURIOUS GUEST ROOMS Ballygarry House is set in the heart of Kerry where romance is part of the scenery.

Our private manicured gardens, at the foot of the Kerry mountains and the 400 year-old enchanted Ballyseedy Forest, makes it the perfect setting for those memorable photographs.

Since 1958 we have been specialising in wedding celebrations from civil to traditional and from the smaller intimate day to the larger lavish occasion. Excellence in service is paramount and our wedding experts offer invaluable advice, from the early stages of the planning, to the big day.

Our award-winning wedding venue delivers the complete package and experience, offering our couples and all of their guests superb food, excellent service and world class standards.

#### THE LODGE

Ballygarry House is adding to its fabulous wedding offering with the addition, in 2021, of 'The Lodge at Ballygarry' - a rustic-inspired barn style onsite ceremony venue.

The Lodge is perfect for hosting a Civil, Spiritualist or Humanist ceremony. The venue ensures an all-encompassing wedding offering for couples looking for a breath-taking and unique wedding destination. The Lodge will feature a simplistic & rustic standalone building, highlighting the magnificent surrounding scenery, with a large gable window behind the Altar and a loft conversion for musicians, overlooking the main Gallery.

## WHATEVER
